# CREATING PEACE OF MIND FOR A LIFETIME

We collect a lifetime of happy memories, but in the blink of an eye disaster can strike. Whether after a hurricane or house fire, it's hard to imagine that anything can bring relief from the overwhelming sense of loss.

For the McDermott's of Breezy Point, NY it was a charred box amongst the debris left in the wake of Hurricane Sandy—a SentrySafe file containing their family genealogy. It might not seem like much, but to them it was a sign of hope for the future and preservation of the past. It was "something salvageable out of absolutely nothing."

That's what SentrySafe does. It protects memories. It keeps the important and irreplaceable safe. It creates peace of mind for a lifetime.

# PROUDLY MADE IN ROCHESTER, NY FOR 85 YEARS
